

GOD'S FAMILY TREE

"To those who believed Him and accepted Him, He gave the right to become children of God." John 1:12

**You can be part of God's family-
A Child of the King of Kings**

*People can be quick to label us.
But who does God say you are?*

Take a label then read over the words of identity on the list. Ask God what word He is speaking to you. Write any words that jump out at you on your tag. Finally, write your name on the tag and hang it on the tree to show you are part of God's family.

You are God's Masterpiece!
He made you with a plan and a purpose.

Take one of the paper people and draw or color on it to show the amazing person God made you. Include things you are good at (like art or sports) or things you are interested in (like animals or music.) Let your person reflect who you are, just like you reflect who God is.

(You can take your person home with you.)

Jesus came to earth to break through the darkness sin brings to our lives.

Read through these verses about Jesus, the light of the world with a friend. Talk about which verse is the most exciting or interesting to you and why.

You can also take this time to talk to Jesus about any darkness in your heart or life. Ask Him to shine His light into your heart.

(When you are done, pick up one of the God is Light cards to take home with you)

FOREVER KING OF MY HEART

Look at the posters on the wall and consider the questions and answers that you see. Use the sticky notes and write down any other possible answers to the questions that you can think of.
